Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lake View, SC Police Department Upgrades in Fiscal Year (FY) 2025. This project is located at 205 North Main Street, Lake View, SC 29563. The entity to receive funding for this project is the Town of Lake View.

This funding would be used to renovate and update the police department building in Lake View, SC. The current building is uninhabitable as the roof has continuously leaked, causing mold and mildew. Renovations are needed to ensure the safety, compliance, and modernized functionality of the building. This is a good use of taxpayer funds because this would provide the members of the Police Department with an efficient and productive space to work and ensure the safety of the residents of Lake View, SC.

The project has a federal nexus because it is authorized under section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a). I certify that neither I nor my immediate family has any financial interest in this project.

I strongly urge the Committee to include this community funding project in the FY25 Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations bill. Thank you for your consideration of this request.

Sincerely,

Russell Fry
Member of Congress
